For AKRO Kata Tournament the 3 rounds system will be used : preliminaries, semifinals and finals.

In each round competitors must perform a different kata, kata that can be chosen by the competitor from the above list, according to his rank.

Competitors will receive scores for their performance.

Example for a categorie of 18 people:

- all competitors perform first kata, each receiveing a score
- first 10 will advance to semifinals where they will perform the second kata. They receive a new score according to their performance
- first 5 will advance to finals
- the winner will be the holder of highest score in the final tour.

The judges will use electronic scoring devices and all the results will be available on-line.

The scores will not be cumulated nor averaged between rounds.
